First of all, let me thank the huge number of you who have sent us letters and comments about the great new books we've been publishing at Harvey. Our offices are literally swamped with your mail. But please don't stop. We read every one of your letters and, more importantly, we LISTEN to them. Very shortly, we'll share some of them with you.

Now to the business at hand...

This month, you'll notice in the Harvey Buyers Guide, is one ONE-derful month for us. We have a record number of superstars joining the Harvey family as well as a record number of NUMBER ONE issues!

Important Collectors' tip: You might want to buy and save every one of these!

But without further ado, here come...

BEETLE BAILEY #1—starring the funniest GI any army was ever cursed with!

THE FLINTSTONES #1—America's favorite Stone Age family better than ever before!

THE JETSONS #1—Back from the future are the zany Space Age Jetsons!

YOGI BEAR #1—with Yogi, Boo Boo and all their pals from jolly Jellystone Park!

SCOOBY DOO #1—Your favorite gang of supernatural sleuths in their greatest stories!

HANNA-BARBERA COMICS & STORIES #1—A mad mixture of all the gang from the most popular Hanna-Barbera cartoons. Including Yogi, The Flintstones, Magilla and some amazing surprises!

LITTLE DOT #1—The funkiest of all the Harvey little misses. (This miss has a little something missing.) If you haven't met this dot-crazy kid, you haven't met anyone!

And BEETLEJUICE #1—The first of a 3-part mini-series in a new offset format that is sheer craziness. In this hilarious 3-part madventure, Beetlejuice becomes Elliot Mess leading his crime-busting Unwashables against the godfather of the Neitherworld Underworld! Seems they've got his brother (Beetlejuice has a brother? Yep, and what a bro) in their clutches and only BJ—with Lydia, of course—has a chance to save him!

Now that is a lineup.

Some months ago, we promised you that in very short order everyone would be talking about Harvey and what they're doing. I think they've begun to talk.

Keep those letters coming and we'll see you next time. Meantime, bye-bye and buy Harvey!

and we get letters...

Dear Harvey Comics,
Hi, my name is Renee Guynup. I am 10 years old and I go to Franklin Township School. I am in the fourth grade and I enjoy school as much as I do your comics. How hard is it to be a character? Is it fun? Do you still have to go to school?
Your friend, Renee Guynup
Quakertown, NJ

Dear Renee,
It's not too hard to be a character in a comic book, all you need is a little imagination! And with a little imagination, even you can be in our stories, Renee! All of us in Harveyland go to school, though sometimes it's hard to tell! Casper, for example, goes to school invisible (so he won't scare the teachers), while Richie flies his private jet all over the world to study the countries he's learning about in history and geography!
From the Harveyland Gang

Dear Harvey Comics,
I like your comics a lot. My favorite is Hot Stuff because sometimes I have a short temper too.
Sincerely, Taryn Pickwick, age 6
Newtown, CT

Dear Taryn,
Not only do I have a short temper, Taryn, but I have a hot temper as well! Be careful, though, my temper often gets me in hot water with my friends, and that's when they like to throw cold water on me! Of course when the water hits me it just turns to steam, but when the smoke clears, my friends are all gone!
Your pal, Hot Stuff

Dear Dollar,
I think that you are cute, funny and silly. Have you ever fallen in love with a female dog? I fell in love once. Right now I am in the third grade. When I was in the second grade I fell in love with a new boy in school. He always chased me and my friends, but he was only in my class for second grade and then he had to move away.
Sincerely, Michelle DeVost, Age 8
San Carlos, CA

Dear Michelle,
Dollar has fallen in love more than once, and as usual, it's always gotten him into trouble! Right now Dollar is showing a girl-poodle his new solid gold water bowl, but Fi Fi's bulldog boyfriend doesn't look too happy! I'm sorry to hear that you're boyfriend moved away, Michelle, but maybe he'll see this letter in a Harvey Comic book!
Your friend, Richie

Dear Wendy
Do you like being a comic? I love reading your comics, and say "Hello" to your three aunts. Don't you have any uncles? Do you like being a friendly witch? I find your comic books so very funny.
Shawna Cyr
Montreal, Canada

Dear Shawna,
I love being in comics since that's where I get to share my adventures with my many friends (like Casper and Richie) and it's also where I get to meet fans like you! I really like being a friendly witch and to answer your other question, Shawna, I have lots of uncles! If you want to see them, just look for them in the pages of my comic book!
Your friend, Wendy

Dear Richie Rich,
My name is Kimberley Proctor. I am 8 years old, and I love your comics. So does my dad, and that's how I got to like you. My dad buys your comics, and when he is done with them, he gives them to me. Well, I've got to go now.
Sincerely, Kimberley Proctor
Canada

Dear Kimberley,
I'm always happy to hear from a fan who has a dad like mine! My dad buys lots of comics, and when he's finished reading them, he also gives them to me! Now I have the biggest comic book collection in the world! Dads like ours should be appreciated,

Kimberley, so the next time you're next to the comic book rack, why don't you buy your dad a Harvey Comic book!
Your friend, Richie
